

Dreumex One2clean

Dispensing system

ONE2CLEAN

Total concept for clean and healthy hands

Your hands repair, assemble and create. They have to deal with mechanical damage and are exposed daily to harsh chemicals. This can lead to dry skin, damage, pain and eventually skin diseases. It is necessary to protect, clean and care for your hands. The Dreumex One2clean dispensing system makes this easy.

- **Total concept** for protect, clean and care
- Unique **touch-free** dispenser for **optimum hygiene**
- Automatic dosing guarantees **efficient use**: 85% cost savings
- **Small and large dosage** for light and heavy duty soiling
- **Easy** to install and maintain

Optimum hygiene with touch-free dispenser

This touch-free dispenser is unique in the world of the dirtiest hands. The Dreumex One2clean dispenser is fully automatic and activated by an infrared sensor. You don't have to touch anything. This ensures a hygienic working environment. A dirty pump, dirty dispenser and cross-contamination are concerns of the past with the Dreumex One2clean automatic dispenser.

Easy to install and maintain

The Dreumex One2clean automatic dispenser is robust, strong and easy to maintain. The integrated LED-indication shows when the batteries are almost empty or when you have to replace them. Also, the pump is easy to replace and clean. All of this makes the Dreumex One2clean automatic dispenser easy to maintain.

Save up to 85% on your operating costs

Choosing the Dreumex One2clean automatic dispenser saves you money each year. The dispensing system has a quantity control mechanism to guarantee effective use with always the right amount of soap for your needs. A delay in the dispenser ensures that it is impossible to take an unnecessary second dose immediately. In addition, there is no residue in the cartridge due to an innovative pump and plunger.

Choose a small or large dose and view your possible savings in the table below.

Dreumex One2clean automatic dispenser 3 ml

	Average consumption per washing	Average consumption Dreumex One2clean 3 ml	Your savings
