Air Freshener Gold Fresh

DREUMEX

Air Freshener

Gold Fresh

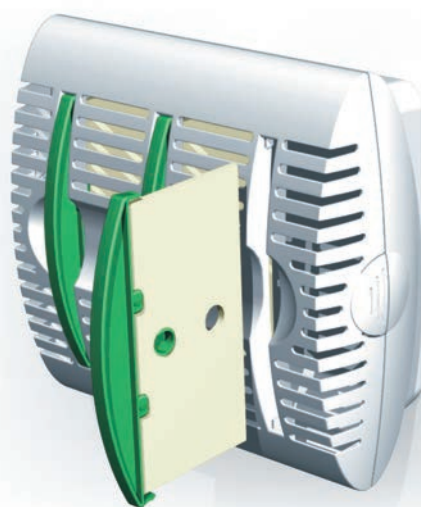

Gold Fresh is an air freshener for use in sanitary areas, corridors, offices, etc. It has been especially developed to spread a very pleasant smell for up to two months, in combination with the scent strips. Depending on the area involved and the desired strength of the smell, Gold Fresh air freshener can be filled with one, two or three strips. Mounting the Gold Fresh air freshener as well as replacing the scent strips is easy and quick.

Simplicity

- Easy & quick assembly
- Variable fragrance strength
- Simple to add or replace strips
- No batteries, no LCD & no programming necessary

Environmental friendly

- Used fragranced strips ► paper waste
- No batteries

Very economical

- Inexpensive Holder
- Economical use of strips
- No batteries

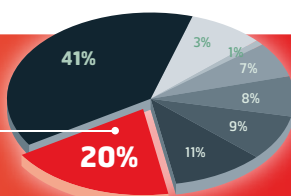

And what else?

- Works at all times (*no batteries*)
- No spray in the face, on the head

Definition of "clean"

Instructions for use

Insert the required number of refill strips into the air freshener. If you inserted more than 1 strip, replace 1 refill strip every month to maintain a constant strength of perfume fragrance.
