

Hand Care Assortment

Dreumex

65 years of experience, research and innovation

For over **65 years** now Dreumex has specialised in developing heavy duty hand cleansers and hand care products. Over the years the company has evolved into one of the **leading suppliers** within this sector.

By combining its considerable knowledge and expertise, Dreumex has developed a **total package** of cutting edge, premium products; skin care products that protect, clean and care. Providing a **complete concept** that offers a solution for all work scenarios; leaving hands clean and healthy.

Hygiene specialist

Based on our extensive experience and market knowledge, we are able to provide our clients with bespoke product recommendations when it comes to hand cleansing and care. Dreumex offers the ultimate hygienic and effective solution for any kind of soiling!

Quality

Product quality is paramount at Dreumex. Our clients can rely on premium products. In order to guarantee the best, Dreumex produces and markets its products in accordance with a plethora of guidelines as stipulated by international agencies.

- ISO-9001 certified
- European Cosmetics regulations
- ISO-22176 certified: Cosmetic Good Manufacturing Practice (cGMP)
- REACH legislation

Innovation

Innovation and Dreumex go hand in hand. We offer the most reliable innovations attuned to our clients' needs. Our primary focus is on the continuous expansion and improvement of our product range with products that clearly yield added-value: both now and in the future.
