Münster, 18.10.2024

Certificate

Dreumex Soft

was evaluated for skin tolerability by means of epicutaneous testing on 30 subjects
with various skin types
under the control of dermatological specialists and according to international guidelines.

Study number **ST-ET-2024-00080**

No relevant skin reactions were detected in the test area following
a single product application.

Therefore, from a clinical-dermatological point of view, the product was tolerated

"excellently"

and can be declared as **„dermatologically tested“**.

Based on the study design and the confirmed skin tolerability, the Dermatetest® guaranty seal can be assigned
for use for the test product.

The seal contains the month and year (10/24) of the testing.
