Dreumex Disinfectant & Cleaning Wipes

Disinfect and clean surfaces with one (s)wipe

Wipe out germs and clean with one (s)wipe - simply and easily

Disinfectant & Cleaning Wipes

Nothing is more important than the health and safety of your colleagues, customers or clients. Dreumex Disinfectant & Cleaning Wipes offer you and your business the highest standards of hygiene.

Our wipes quickly disinfect and clean high contact surfaces such as door handles, bannisters, touch-screens, desks, tables or keyboards. All harbour germs and require regular cleaning and disinfecting. A fast, effective solution for reception and waiting areas, offices, hotels, restaurants, cafés, swimming pools, gyms, fitness- and other sport related facilities. But also in retail stores, schools, public transport, nursing and care homes.

Why Dreumex Disinfectant & Cleaning Wipes?

- Kills bacteria, yeast and enveloped viruses in one, simple move
- Ideal for quickly disinfecting and cleaning reception and waiting areas, offices, hotels, restaurants, cafés, swimming pools, gyms, fitness- and other sport related facilities
- Perfect wipe to disinfect and clean all contact surfaces such as touch screens, door handles, buttons of payment systems, vending machines etc.
- Does not contain bleach, alcohol, chlorine, aldehyde or VOC, making it safe on hard non-porous surfaces and equipment
- These extra-strong non-woven wipes absorb and disinfect. Eliminates odors and freshens on contact
- No gloves required
- PT2 and PT4 classified, safe to use around food areas*

Standard spray and cloth approach

- Time-consuming: disinfectants often have to be diluted, which may have a negative impact on effectiveness
- Spray bottles need to be refilled
- Cleaning required before you disinfect properly
- Spray bottles and paper towels can be used incorrectly
- Excess spraying may damage equipment and control panels
- Unnecessarily high paper consumption
- Releases harmful chemicals

The Dreumex Difference

- Quick & easy 2 in 1 solution: cleans and disinfects
- Always the right dose
- Safe and effective on hard non-porous surfaces
- Completely disposable
- Wipes can be stored in a fixed dispenser for easy access
- Minimises mess - no excess liquid and/or paper
- No risk of incorrect use

Disinfectant & Cleaning Wipes

Seriously multi-purpose

Providing practical and effective hygiene solutions is taken seriously at Dreumex for over 70 years. Like our combined disinfecting and cleaning wipes which eliminate contamination by germs, enveloped viruses and bacteria on surfaces instantly. Quick and easy to use, they're ideal in situations where the combination of disinfection and cleaning power is required.

Disinfect and clean in one (s)wipe

Because disinfecting fundamentally differs from cleaning, our wipes are defining new hygiene standards in times that only cleaning is not sufficient anymore. They kill bacteria, yeasts and enveloped viruses in two minutes and are much more efficient than sprays with separate cloth, saving time and paper. Clean without hassle while providing a maximum of disinfecting effectiveness in one simple move.

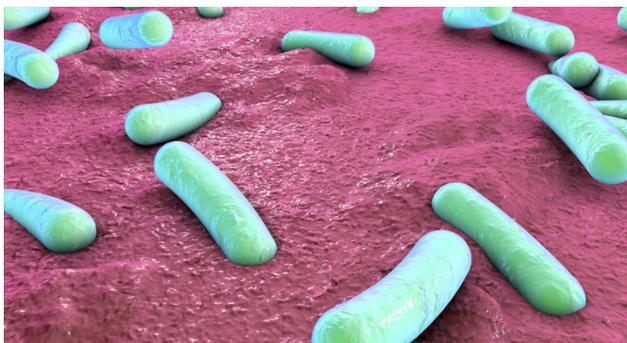

Wipe out germs and worries

Dreumex Disinfectant & Cleaning Wipes kill yeast, bacteria and enveloped viruses in two minutes. Designed to meet modern hygiene expectations for daily cleaning and disinfection, they're perfect for wiping down tables, desks, electronics, POS systems, sports equipment, doorknobs, counters, etc. Ideal for hard non-porous surfaces and equipment when you need to clean and control the spread of germs at the same time. Including surfaces in contact with food and/or beverages.

No risk to equipment or surfaces

In our disinfectant and cleaning wipes we don't use harsh chemicals such as bleach, chlorine, alcohol, aldehyde or VOC. The wipes don't interfere with nor are harmful to hard non-porous surfaces with the only exception of acid-sensitive stones (e.g. marble) and soft metals. At the same time, because of a perfect balance of ingredients, we offer effective cleaning and protection against bacteria and yeasts. One wipe and surfaces are clean without damaging or discolouration.

Kill claim, authorisation & classification

Kills bacteria, yeasts and enveloped viruses in two minutes.

Dreumex Disinfectant & Cleaning Wipes are authorized under number EU- 0018737-0001.
