Xlerator Hand Dryer Special Image Cover

DREUMEX

Xlerator Special Image Cover

Xlerator is the new standard in hand dryers. Thanks to its innovative technology Xlerator provides unprecedented performance: considerably lower costs, less time and less environmental impact. Xlerator is as much as 95% cheaper than using paper towels. Furthermore you can personalise your Xlerator with your own design, image or logo. The Special Image Cover will give your bathroom facilities a special look.

Advantages of the product

Characteristics	Advantages
• Drying time 10-15 seconds	• Dry hands fast
• Consumption 1400W	• 80% less energy consumption than conventional hand dryers
• Noise-reducing nozzle	• Prevents noise disturbance
• High quality material	• Virtually maintenance free and 7 year manufacturer's warranty
• Special printing technology	• Special Image is permanently integrated into the cover
• Bears the CE mark	• Satisfies European guidelines for safety, health and the environment

Suggested mounting heights

Men 114 cm *	Women 109 cm *
Disabled people 94 cm *	Children 89 cm *

Height is measured from the floor up to the underside of the Xlerator.

Instructions for use

After washing your hands, hold them under the dryer for 10 to 15 seconds around 5 cm below the blower on the Xlerator. During this time, rub hands together slowly and ensure each side of your hand has been placed under the blower. Once your hands are dry and you remove them from below the dryer, the Xlerator will turn itself off automatically.
