Powerful cleaning without water

Dreumex Expert Wipes

With Dreumex Expert Wipes, cleaning hands, tools, and hard surfaces can be done easily in areas where water is not available. These powerful cleaning wipes ensure fast cleaning of lubricants, oil and grease, as well as the heaviest soils such as glue, lacquer, ink, and sealant. Experience the convenience and increase in productivity by reducing the number of trips to the sink. Dreumex Expert Wipes are ideal for employees in the construction, automotive, aviation, print, and industrial sectors. The strong towel allows for employees to finish the job quicker by eliminating time to the washroom for cleanup.

A wipe strong enough to keep up with the experts

Dreumex Expert Wipes

Printers, roofers, and painters are commonly confronted with extremely difficult materials to remove such as paint, varnish, and glue. In these environments where heavy soils are present, cleaning hands, tools, and surfaces can be challenging. Dreumex Expert Wipes are one of the most powerful cleaning wipes on the market and will effortlessly remove the toughest and heaviest soiling. These strong wipes provide heavy duty cleaning and can easily be implemented into workers' daily routines.

serious
hygiene

"Dreumex Expert Wipes have saved me from scrubbing my hands red. They absorb dirt and smell great."

Automotive industry

"Dreumex Expert Wipes help me 'clean as I go' so my hands never get too greasy and I don't have to wash and dry my hands every five minutes"

Manufacturing industry

"We often use thinners to remove paint as they just wouldn't budge with soap and water no matter how hard you scrubbed. Dreumex Expert Wipes quickly remove stains and even smell pleasant."

Painters and decorators

"We've noticed the amount of time we've saved in between jobs. We'll take a can of Dreumex Expert Wipes with us and keep one in the van for use when traveling to the next job."

Construction industry
