

## Dreumex Sun Protect SPF50

Provides protection against the harmful effect of the sun

Outdoor workers face an increased risk from the harmful effects of the sun. Prolonged exposure to UVA and UVB radiation increases the risk of skin cancer by 77%\*

To reduce this risk, it is essential to provide a professional sunscreen for your employees.

Dreumex Sun Protect SPF50 delivers maximum protection with excellent coverage, is easy to apply, and absorbs quickly into the skin.
